I SAID IT.
I——I——I——I——
Wha-wha-wh-wh-what do I do?
What face should I face him with ...
... Hak-uya,
I wonder what face he's going to make..
Tomorrow morning is going to be awkward.

ふぁあ!!

IS AKANE-SAN STRONG AGAINST ALCOHOL?
AS FOR THE CHOCOLATE, KAA-SAMA ATE IT WHEN SHE RETURNED HOME YESTERDAY.
IF IT'S OF THAT LEVEL.
GOOD MORNING.
THEN, SHALL WE MAKE SOME?
I DID CAUSE SOME TROUBLE FOR YOU.
NEXT TIME I WANT TO EAT NON-ALCOHOLIC NAMA CHOCO~
G-...

I HAVEN'T MADE THEM BEFORE, BUT PROBABLY.
YOU CAN MAKE THEM!?
EH!?
NO! THAT'S NOT IT AT ALL. I'M COMPLETELY FINE.
KOBENI, YOUR FACE IS KINDA RED.

I SUDDENLY FELT A CHILL RUNNING UP MY SPINE, SO...
nh
SO EVEN BENIO WITH HER EXPERT REFLEXES FALLS OVER, I SEE~
WHAT DO YOU WANT TO DRINK? MILK? WANT ME TO WARM IT UP?
NO-THING IN PARTI-CULAR
COME TO THINK OF IT, WHAT DID YOU TWO TALK ABOUT IN THE END?
I GET THE FEELING SHE'S THINKING ABOUT SOMETHING CUTE...
step~ step~ step~
MOTHER, MOTHER IS...
NEE-SAMA!!
...IT KINDA STINKS ... DOESN'T IT?
sfx startled

91 [Benio says 'kyuu ni okan ga hashitte' which translates to 'a chill running' Mashiro misunderstands because okan (same pronounciation but different kanji) is also a term for mother, which turns the phrase into 'suddenly mother was running' hence her imagination subtle.]

sfx shuffle
ピッ
ピッ
cute munching
KOBENI, YOU'RE KINDA STRANGE TODAY.
ARE YOU NOT FEELING WELL?
THAT'S NOT TRUE.
I'M NOR-MAL.

だよねにおうよね
You're right. It does stink

WE'LL BE GOING ON AHEAD ~!
WITH THAT SAID, SO WE WON'T BECOME HINDRANCES,

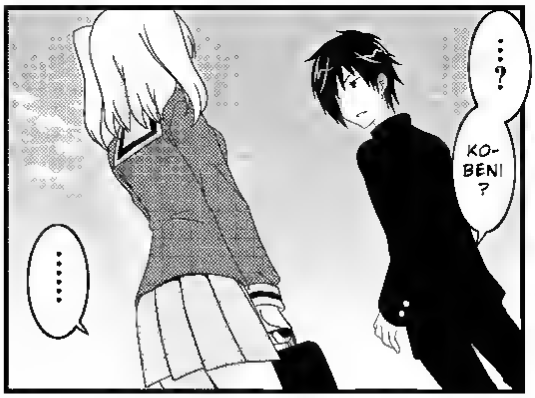
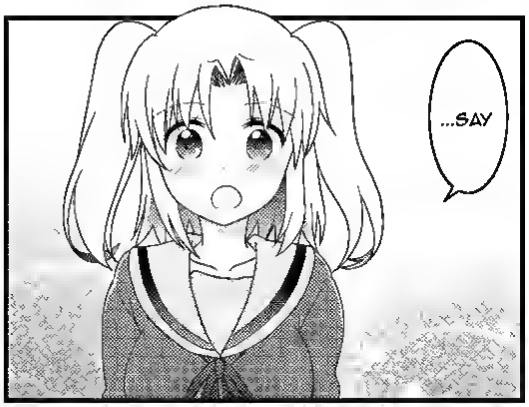
D-... DO YOUR BEST.
だだだだ RUNNING

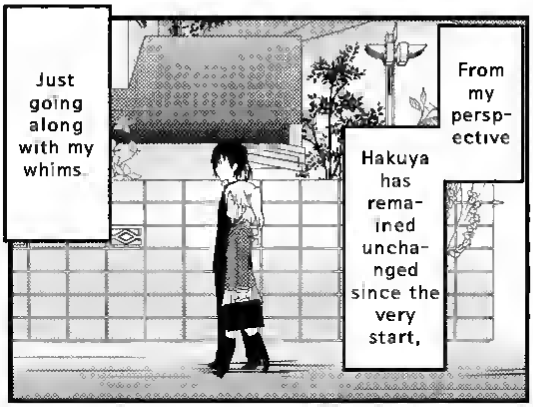


……
……?
KO-BEN!?

AH, YES.
... SHALL WE GO?



...SAY



Just going along with my whims.
From my perspective
Hakuya has remained unchanged since the very start,

SO, UHM... A LOT OF THINGS HAVE HAPPENED.
SINCE I HEARD OF US BEING FIANCES ON MY BIRTHDAY,

"Don't do this," "Don't do that,"
I've just been saying selfish things so far.

よろしく (yoroshiku) is a phrase that's often used when introducing yourself to someone. But also used in many other situations, such as at the start of a business partnership, as a new year's greeting, or the start of a relationship. You may have seen it translated as "please take care of me", "I'll be in your care", etc.
